

Online sermon guide for families

DEAR PARENTS

Today's teaching is from the book of **2 Corinthians- Chapter 11-12** titled the "**Obstacles in Ministry**" By Pastor Arnell Motz. Before the service begins, when you are getting ready to worship, it would be good to encourage your children to follow the worship service attentively: praying, participating in singing and listening attentively to the Bible teaching

If the children have not understood the message, the following questions will help to revise the main points. Both the **REVIEW** and **APPLICATION** questions are suggestions. You can use all, a couple, or none.

REVIEW QUESTIONS

What was the main concern of Paul on this part of the letter? Or What were the obstacles that Paul faced in the ministry with the Corinthians believers? (Read verse 3-4)

What are the marks of true apostle/prophet & false apostle that Pastor Arnell drew out from the passage?

TO HELP YOUR CHILDREN FOLLOW ATTENTIVELY

Let each person in the family have a Bible of their own, even those who cannot read.

Encourage the older kids to take notes and the younger ones to use the coloring pictures that you will find at the end of this page or to draw a picture of the teaching.

APPLICATION QUESTIONS

Discuss the different obstacles you faced that hindered you, individually or as a family, from giving your best / total devotion to the Lord.

Read the story of the woman who anointed Jesus' feet (Luke 7:36-49). Discuss what she did and its implication and see how you can overcome your obstacles and give your best/ total devotion to serve the Lord

Do a research on Christian's view of Jesus from the Bible (you might want to limit your research to one of the Gospels or a couple)

You shall love

God

heart
and with all
your soul
and with all
your strength.
